NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER UNLESS AUTHORISED

HOW TO PREPARE

Product mixes easily with clean water. Using a measuring device add the required quantity to a clean container.

Do not mix more than is needed. Wash sprayer thoroughly after use.

CAUTION

DO NOT spray directly on humans, pets, exposed food, food preparation areas or food utensils.
DO NOT spray if bees are feeding on flowering plants. Will kill bees.

PRECAUTIONS

DO NOT APPLY INSIDE BUILDINGS EXCEPT AS A CRACK AND CREVICE TREATMENT.
DO NOT APPLY TO SURFACE AREAS SUCH AS INTERIOR FLOORS OR WALLS. *WALLS,*

STORAGE AND DISPOSAL

Store in the closed original container in a cool, dry place out of the reach of children. Do not store in direct sunlight. Dispose of empty container by wrapping in paper, placing in a plastic bag and putting into the garbage.

SAFETY DIRECTIONS

Harmful if swallowed. Will damage eyes. Will irritate the nose, throat and skin. Repeated minor exposure may have a cumulative poisoning effect. Avoid contact with eyes and skin. Do not inhale vapour. When opening the container and preparing the spray wear cotton overalls buttoned to the neck and wrist (or equivalent clothing) and goggles. If product on skin, wash immediately with soap and water. If product in eyes, wash out immediately with water. Wash hand after use. After each days use wash goggles and contaminated clothing.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre (Phone: 131126). If swallowed, do not induce vomiting. Give a glass of water. If swallowed, give one atropine tablet every 5 minutes until dryness of the mouth occurs – if poisoned by skin absorption or through lungs, remove any contaminated clothing, wash skin thoroughly and give atropine tablets as above. Get to a doctor or hospital quickly. If in eyes, hold eyes open, flood with water for at least 15 minutes and see a doctor.
