

CAUTION

KEEP OUT OF REACH OF CHILDREN
READ SAFETY DIRECTIONS BEFORE OPENING OR USING

DAVID GRAYS
MALATHION GRAIN DUST
INSECTICIDE
ACTIVE CONSTITUENT: MALDISON 20g/kg
(an anti-cholinesterase compound)

TO CONTROL PESTS OF STORED GRAIN

GENERAL INSTRUCTIONS:

For best results treat grain as near as possible to final storage in clean silos or sheds. Storage temperatures should be less than 27°C and the moisture content of the grain at treatment should be below 12%.

DIRECTIONS FOR USE: (WA only)

To protect wheat, oats, rice, corn barley and all stored grain from weevil attack, apply 600 grams of David Grays Malathion* Grain Dust to each 1000 kilograms of grain and mix thoroughly with grain.

**NOT TO BE USED FOR ANY OTHER PURPOSE OR IN ANY MANNER
CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE
LEGISLATION**

**TREATED GRAIN MUST NOT BE USED AS FOOD FOR 14 DAYS AFTER
TREATMENT**

WITHOLDING PERIOD:

DO NOT use treated grain for human consumption or for stock food within 14 days of treatment.

PROTECTION OF WILDLIFE, FISH, CRUSTACEA AND ENVIRONMENT:

DO NOT contaminate streams, rivers or waterways with the chemical or used containers.

SAFETY DIRECTIONS:

Avoid contact with eyes and skin. Wash hands after use.

FIRST AID:

If poisoning occurs, contact a doctor or Poisons Information Centre. If swallowed and if more than 15 minutes from a hospital, induce vomiting, preferably using Ipecac Syrup APF.

STORAGE & DISPOSAL:

Stored in the closed, original container, in a dry, well ventilated area, as cool as possible. DO NOT store for prolonged periods in direct sunlight. Keep away from foodstuffs. Treated seed, when stored, should be kept apart from other seed and the containers clearly marked to indicate that the contents have been treated with Malathion Grain Dust. Containers which have held treated seed or bait should not be used for any other purpose. Triple or (preferably) pressure rinse containers before disposal. Dispose of rinsings in a disposal pit specifically marked and set up for this purpose, clear of waterways, desirable vegetation and tree roots. Break, crush or puncture and bury empty containers in a local authority landfill. If no landfill is available, bury the containers below 500mm in a disposal pit. Empty containers and product should not be burnt.

WARRANTY.:

The use of this material being beyond the control of the manufacturer or distributor no warranty as to its effects is given or implied.

SAFETY INFORMATION:

For further Safety Information refer to the Material Safety Data Sheet for David Grays Malathion Grain Dust.
